

**U.S. SENATE SELECT
COMMITTEE ON ETHICS**

For Immediate Release

September 22, 2023

Contact: Shannon Kopplin (202) 224-2981

STATEMENT OF THE SENATE SELECT COMMITTEE ON ETHICS

Washington, DC – In response to repeated requests from the press, we want to reaffirm that the Senate Select Committee on Ethics does not comment on matters pending before the Committee or matters that may come before the Committee. Also, absent special circumstances, it has been the long-standing policy of the Committee to yield investigation into matters where there is an active and ongoing criminal investigation or proceeding so as not to interfere in that process.
